Addendum to the Lease Agreement

Addendum Acknowledgement: Tenant acknowledges this Addendum incorporated into the Lease Agreement and has been reviewed with the Leasing Agent.

Rental Repair Requests: All rental repair requests must be made through Lux Home Realty. Please contact Emily Ortiz at 480.207.5980 to schedule these repairs. Repair requests made on the weekend could require 48 hours for service. In cases of emergencies on the weekend, please contact Carolyn Fiedler at 602.228.3507 or Jennifer Bell at 480.688.9948.

Rental Repair Process: Tenant may not arrange property maintenance, cleaning or other repairs using outside repair vendors expecting Landlord or Property Manager to pay for such services. Landlord or Property Manager's vendors must complete any work done on the Premises. Tenant may not perform work on the premises in exchange for rent, deposits or other credits without Landlord's prior written consent. Tenant shall be responsible for any damage to the premises caused by use of an improper cleaning method or chemical. Tenant may not deduct amounts of supplies, repairs, cleaning or maintenance of the Premises from rent. All maintenance requests must be made in writing to Property Manager or submitted online through Property Manager's website. Tenant must include name, address, email, best available contact phone number and a detailed description of the problem along with any history of the problem and, if possible, pictures of the problem. Tenant must notify Property Manager immediately if the maintenance request was not completed in a satisfactory manner by the assigned vendor.

Non-emergency Repairs: Non-emergency repairs to the property will be performed between 8:00AM-6:00PM Monday through Saturday. If Tenant requests a service call and fails to keep a scheduled service appointment without a 90 minute notification, a service charge of \$75.00 will be billed to Tenant's account.

Tenant Maintenance Charges: Any maintenance done to the property deemed by Landlord to be caused by Tenant fault or neglect will be the responsibility of Tenant to pay. Tenant agrees to pay for the service calls when Tenant orders a repair and the worker finds no repair is needed or if Tenant makes an appointment and does not allow access for the worker at the arranged time. Tenant is responsible for lost keys or "lock outs" and must call their own locksmith at Tenant's cost. Tenant shall supply a duplicate key to Property Manager. Tenant must pay towing bills and storage costs for removing non-operating or illegally parked vehicles. Tenant is responsible for the cost of replacing any lost, stolen or damaged gate or garage remotes and/or pool/gym and neighborhood access keys. If Tenant requests a service call and fails to keep a scheduled service appointment without a 90 minute notification, a service charge of \$75.00 will be billed to Tenant's account.

Maintenance of the Premises by Tenant: Normal property maintenance of the house is the responsibility of Tenant. Tenant must maintain the front yard from weeds, over grown plants and trees, debris (furniture included) and general appearance, even if there is not a neighborhood HOA. Failure to maintain the yard after a 2nd notice from Landlord or Owner is a breach of this lease. Tenant acknowledges that they are responsible for all pest control. Landlord suggests that Tenant maintains a monthly service contract with a pest control company. Tenant acknowledges that they live in the desert and that pests such as ants, crickets, roaches and scorpions are part of desert living.

Maintenance of the Premises by Landlord: Landlord has the option to NOT maintain, repair or replace electrical or mechanical personal property devices or any other items not needed for habitability including, but not limited to: icemakers, alarm systems, solar water heaters, reverse osmosis systems and water softener systems. Landlord replacement of unrepairable Landlord personal property may be replaced with similar but not exact brand or model and, therefore, may or may not include all features of the previous item.

Tenant is responsible for the following tasks:

- a) Test smoke detectors and carbon monoxide detectors monthly and replace batteries as necessary. Tenant shall notify Landlord/Property Manager within 24 hours if any detectors stop functioning.
- b) Replace air filters every 30 days. Failure to change the air filters may result in additional charges to Tenant if damage occurs as a result of not replacing the filters on a regular basis. Tenant is to never run the HVAC unit without a filter in place.
- c) Maintain all landscaping such as lawns, desert landscaping, shrubs and trees including, but not limited to: mowing, trimming and watering. Failure to maintain the exterior of the Premises will be considered a breach of the Lease Agreement.
- d) Replace batteries on garage door, entry gate and access remotes as needed.
- e) Replace all exterior and interior light bulbs as needed.
- f) Replace reverse osmosis filters and water softener salts frequently as conditions require.
- g) If the Premises has an irrigation system, Landlord will maintain the valves, timers and pipes. Sprinkler heads and the above ground drip system are Tenant's responsibility and Tenant will be charged for any damage to the landscaping which occurs as a result of neglect or failure to replace any damaged or missing parts.

Repairs and maintenance resulting from Tenant occupancy beyond normal "wear and tear" occurring after Tenant move in, as a result of Tenant use, will be performed by Tenant at their expense which includes, but is not limited to:

- a) Replacing AC filters.
- b) Plumbing clogs of sinks/bathtubs.
- c) Toilet seats, toilet clogs and flooding because of clogs.
- d) Garbage disposal blockage.
- e) Dishwasher cleaning and maintenance.
- f) Damage to mini-blinds/window coverings.
- g) Damage to ceiling fans.
- h) Broken door knobs, handles and bathroom towel bars and/or racks caused by tenant use.
- i) Tree trimming, bush trimming and lawn and yard maintenance in compliance with the HOA.
- j) Light bulb replacement.
- k) Batteries in the smoke detectors.
- l) Loose screws on appliances.

Initial JM Initial _____

Tenant will be charged for the following:

- a) HVAC unit issues due to not changing the filters.
- b) Foreign objects or sanitary products causing blockage in the toilets or sewer lines.
- c) Excess hair or foreign objects causing blockage in shower, sink or sewer lines.
- d) Repairing or replacing broken or cracked glass.
- e) Foreign objects, grease or excess food jamming or damaging the garbage disposal.

Tenant expense recovery charges must be paid within ten (10) days of the notice.

Notification of Damage to the Property: Failure to notify Lux Home Realty of damage caused to the property during Tenant occupancy will be deemed a violation of this lease with the option of terminating to be decided by Landlord.

HVAC Unit: Per ARS 33-1324, Landlords are required to keep the premises in a fair condition, including a functioning HVAC unit in the summer and winter months. It allows for repairs and/or replacement in a reasonable time. Tenant understands a reasonable time to repair or replace the HVAC unit could require several days. The Landlord is not required to provide Tenant alternate housing during this interval.

Notice and Disclosure Regarding Mold and Bedbugs: There has been some recent publicity regarding the existence of certain types of non-toxic mold and bedbugs in homes, apartments and commercial buildings. Current information indicates that some types of mold may cause severe health problems for certain individuals. Current information indicates that bedbugs, although not harmful, are a nuisance. Property Managers and Real Estate Agents are not trained to identify mold, bedbugs or similar conditions. Mold and bedbugs are not always detectable by a Property Manager or a Real Estate Agent and sometimes not even by a professional home inspector or pest control inspector. It is even possible that a property could have a serious, but hidden, mold or bedbug problem unknown to the Landlord. The only way to provide a reasonable assurance that a property does not have a mold, bedbug or other health hazard problems is to retain the services of an environmental expert or bedbug pest control specialist who will conduct specific tests. Normally, these tests will consist of an interior and exterior examination and other procedures may be necessary. Any visible mold or bedbug concern should be professionally evaluated. Since most varieties of mold thrive in moisture, it is extremely important that you report all water leaks to Property Manager in a timely manner. It is also your obligation to report any signs of mold, bedbugs or unusual odors on the premises. If the presence of mold and/or bedbugs is a material matter, you must conduct any and all inspections or tests prior to signing this Lease Agreement.

Pools and Spas: Should Tenant be responsible for the maintenance of a pool or spa on the premises, Tenant agrees to maintain proper levels of water and proper chemical balance. Tenant must report any malfunction or other problem even when Tenant is not responsible for maintenance. Pools must be swept completely and debris removed from filter baskets weekly. Tenant agrees to provide backwashing or main filter cleaning monthly. "Chemical Only" service will not include sweeping, main filter cleaning or backwashing. If, in the opinion of Landlord or Property Manager, pool maintenance is not being performed properly, Landlord or Property Manager may arrange outside pool maintenance and Tenant agrees to allow access and pay all costs for such maintenance after Landlord or Property Manager provides notice to Tenant.

Initial  Initial _____

Crime: In the even that Tenant or Tenant's guest(s) are involved in a crime in or around the property, Tenant will be immediately evicted for that action. Tenant further agrees to report any actions by others that violate city or state laws. Tenant agrees that any police report made that involves Tenant, Tenant's guest(s) or the rental property may be admitted as evidence and hereby waives any hearsay objections.

Weapons: Weapons (including guns) are prohibited in any common area. All guns must be holstered and stored in a safe manner at all times and stored separately from ammunition.

Satellite Dishes: Tenant agrees that if Tenant elects to install a satellite dish, they shall comply with all FCC regulations and any other restrictions that restrict the placement of the dish (ie. community (HOA), city, state, etc.). Landlord will not unreasonably prohibit placement of said satellite dish but will prohibit Tenant from attaching the dish directly to Landlord's property in any manner (ie. nails or screws) unless Landlord gives written consent for the permanent placement of the dish. Tenant must obtain insurance to cover the installation of the dish, naming the owner and Lux Home Realty listed at additional insured.

Pet Restrictions: Tenant agrees to specifically identify in writing the breed and sex of every animal living on the premises. Tenant agrees to provide proof of licensing and up-to-date shot records for each of these animals. Tenant agrees to comply with all community/city/state rules and regulations regarding pets. Tenant agrees to maintain an insurance policy that covers the pet(s) listed and agrees to name the owner and Lux Home Realty listed at additional insured. Tenant agrees to not permit any other animals to visit or live on the premises. Written permission by Landlord and a pet deposit is required for each animal living on the premises. Assistive animals are exempted from these requirements.

Smoking: Smoking is not permitted inside of the property at any time. Evidence of smoking inside the property will be considered a breach of the lease. Tenant agrees to pay Landlord a fine of \$100.00 for violation of this provision and further understands that this is a noncompliance of the lease terms.

Renter's Insurance: Tenant hereby acknowledges the Renter's Insurance is required to be carried on the property throughout their tenancy. A copy of the policy's declaration page must be submitted to Lux Home Realty with Landlord and Lux Home Realty listed as additional insured. In the case of theft, flooding, vandalism, or other acts of damage to personal property inside of the property, Landlord will not be held liable. It is the responsibility of Tenant to obtain this insurance to protect personal items.

Move-In/Move-Out Condition Checklist: A Move-In/Move-Out Condition Checklist has been provided by Agent. Tenant agrees to fill out, list any discrepancies and return the Move-In/Move-Out Condition Checklist to Property Manager within seven (7) calendar days from the beginning date of the lease term. Failure by Tenant to return the Move-In Condition Checklist to Property Manager and require receipt of delivery shall be evidence that the premises is in good condition and that there are no defects.

Initial  Initial _____

Utilities: It is the responsibility of Tenant to have all property utilities transferred to Tenant's name and turned on as of the lease starting date and before the scheduled walk-through to test appliances. Tenant acknowledges that they are responsible for all utilities. In the event that Tenant fails to transfer the utilities into their name as of the lease starting date and the utilities are not paid for by Tenant and/or shut off during tenancy, or if the utilities are transferred back into Landlord's name by the utility company due to non-payment by Tenant, Tenant agrees that Landlord may immediately file for an eviction following a 5-Day Notice of that breach.

Mailed Rent Payments: Lux Home Realty will process the rent payment for the date it is RECEIVED, not the date it is postmarked.

Security Deposits, Late Payments and Bounced Checks: Tenant's Security Deposit will never be used for last month's rent. No personal checks will be accepted for security deposits or late rent payments; Cashier's Check or Money Order only. All late charges will apply (\$50.00 Late Payment Fee on the 4th day of the month and \$10.00 per day after that) and will continue to accrue until the rent is received. \$50.00 will be charged for each bounced check (checks with insufficient funds).

Lease Changes and Additional Occupants: Tenant acknowledges that there is a \$150.00 administrative fee for any changes made to the lease, after Tenant has signed original lease agreement, including, but not limited to, adding or removing tenants. Tenant acknowledges that any person(s) not signed on the Lease Agreement as an occupant, yet residing at the property more than four (4) days a week for a period of more than thirty (30) days total is in violation of this agreement. Exceptions can be made if a written request is submitted to Property Manager and approved by Landlord.

Term: Tenant agrees to a five percent (5%) monthly rent increase for continuing the Lease Agreement month to month. IF TENANT FAILS TO VACATE THE PREMISES AS PROVIDED FOR IN THIS LEASE AGREEMENT, LANDLORD SHALL BE ENTITLED TO RECOVER AN AMOUNT EQUAL TO BUT NOT MORE THAN TWO MONTHS' PERIODIC RENT OR TWICE THE ACTUAL DAMAGES SUSTAINED BY LANDLORD, WHICHEVER IS GREATER, AS PROVIDED FOR IN THE ARIZONA RESIDENTIAL LANDLORD AND TENANT ACT. ("ARLTA")

Tenant Renewal Fee (Administration Fee): Tenant agrees to pay a \$180.00 Tenant Renewal Fee (Administration Fee) to Property Manager on each renewal or extension of the Lease Agreement. This fee covers administrative work done by Property Manager in order to renew the lease (ie. inspection of property, comparable property analysis, generating the new lease agreement, paperwork, computer updates, etc.).

Abandoned Property: In the event that Tenant abandons any personal property in or around the dwelling unit after they vacate the home, Landlord may destroy or otherwise dispose of some or all of the property if Landlord reasonably determines that the value of the property is so low that the cost of moving, storage and/or conducting a sale exceeds the amount that would be realized from the sale.

Initial DS Initial JM

Multiple Tenants and Notice: If there are multiple tenants in the home, Notice from one Tenant shall be considered Notice from all Tenants.

Evictions: A 5-Day Notice to vacate the premises shall be processed at the discretion of Lux Home Realty based on no rent being paid on time. A \$75.00 Processing Server Fee will be charged to Tenant. If rent has been made within the 5-day period then no further action is required.

Jury Trial Waiver and Attorney Fees: Landlord and Tenant hereby waive their right to a jury trial. The prevailing party to any lawsuit or other legal action is entitled to attorney fees and costs.

Collection Costs: In the event Tenant breaches the Lease Agreement, Landlord is entitled to recover, as additional damages, all costs to collect the monies owed, including any monies Landlord pays a collection company or attorney to collect those funds.

Before renting pre-1978 housing, landlords must disclose the presence of known lead-based paint and lead-based paint hazards in the dwelling. Tenants must also receive a federally-approved pamphlet on lead poisoning prevention.

Lead-Based Paint Disclosure:

Tips for Rentals of Residential Properties — Steps for REALTORS® to follow

NOTE: The lead-based paint disclosure requirements apply to all real estate agents involved in the transaction except for tenant's agents receiving compensation from the tenant only. The following recommended steps are provided to help REALTORS® meet the law's obligations in a typical residential rental transaction.

1. When entering into an agreement to manage a property, the property manager/listing agent (hereinafter "property manager") should determine if the property is "target housing" (generally, built before January 1, 1978). This can generally be accomplished by asking the landlord/owner ("the owner"). If the owner doesn't know, the property manager should consult property records.

The property manager should also determine if the property falls within an exemption from the lead-based paint disclosure requirements. For example, if a certified inspector has determined that the property is free from lead-based paint and lead-based paint hazards, or if the lease is for less than 100 days with no opportunity for renewal or extension, the disclosure requirements will not apply. Even if an exemption applies, the property manager should have the owner complete and sign the disclosure form, acknowledging in writing the claimed basis for the exemption. If an exemption applies, the disclosure form need not be given to potential tenants.

2. The lead-based paint disclosure requirements became effective for all "target housing" on December 6, 1996. All target housing will require the following steps.

3. If the property is target housing, the property manager must advise the owner of certain obligations, namely the following: 1) disclose to the tenant known lead-based paint or lead-based paint hazards; 2) provide the tenant any existing records, test results, reports, or other known lead-based paint information related to the presence of lead-based paint or lead-based paint hazards in the property, if any; 3) provide the tenant with the pamphlet *Protect Your Family From Lead in Your Home* (EPA approved lead-based paint hazard information pamphlet); and 4) include disclosure and acknowledgment language as part of the rental contract or addenda. (NOTE: The law does not require that all interested tenants must be informed, only the actual tenant.)

4. The property manager should have the owner complete, initial and sign the disclosure form. The property manager should obtain from the landlord any records, test results, reports, or other lead-based paint information related to the presence of lead-based paint or lead-based paint hazards in order to be ready to provide copies to a tenant making an offer to rent the property. The property manager should then initial and sign the form.

5. The property manager should disclose to potential leasing agents that the listed property is target housing, probably through the MLS or other offerings to REALTORS®.

6. The leasing agent (the agent working with the tenant who expects to be paid by the property manager or the owner — whether it be tenant's agent, subagent, "facilitator," or whatever) also has an obligation to ensure the owner's compliance. If the disclosure form has not been provided by the property manager, the leasing agent should provide the disclosure form to the property manager for the owner to complete and sign, or directly to the owner if no property manager is involved.

7. When the tenant is ready to make an offer on target housing, the leasing agent should provide the tenant with a copy of the disclosure form signed by the owner and the property manager, together with related test results and records, if any, and a copy of *Protect Your Family From Lead in Your Home*. Ideally, these documents will be obtained by the leasing agent from the property manager before the offer is signed by the tenant, but the signed disclosure form with attachments must be provided to the tenant before the offer to rent is accepted by the owner.

8. The disclosure form must be initialed and signed by the tenant and the leasing agent, which should be done after the owner and the property manager have initialed and signed the form. (By initialing line 32 of the AAR Disclosure of Information on Lead-Based Paint and Lead-Based Paint Hazards (Rentals) form, signing the Certification, and complying with the other terms of this AAR form, both the property manager and leasing agent will have met their obligations under the law.)
